INFORMATION DISCLOSURE STATEMENT

Enclosed is the International Search Report (3 pages) from the European Patent Office as the international searching authority from the present international application listing 6 references and their relevant portions.

In the International Search Report the references listed in category A mean that these references define the general state of the art which is not considered to be of particular relevance with respect to the listed claims. The references listed in category X mean each document is of particular relevance; the claimed invention cannot be considered novel or can not be considered to involve an inventive step when the document is taken alone with respect to the listed claim. The references listed in category Y mean that these references are of particular relevance; the claimed invention cannot be considered to involve an inventive step when these documents are combined with each

Six references namely US 5,265,504, US 6,629,478, DE 8404176.5 U1, DE 20015484 U1, US 4,934,223 and DE 29414974 U1 are disclosed and discussed in the specification on pages 1+. Two of the references disclosed in the specification namely DE 29414974 U1 and DE 8404176.5 U1 and one references DE 30 04 958 A are presently not available to the undersigned.

Since the International Search Report is in English and the relevant portions of these references are pointed out there in English, and further the two US patents and the GB reference are in English, no further pointing out of relevance is needed.

Two PTO-1449 forms are presented listing the 12 different references.

Translations of the foreign language references are not available to the undersigned.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
Michael Abel, et al
